

New York Performing Arts Center

Our fun and creative Fairytale Dance Class will use classic fairytales to introduce students to the fundamentals of ballet.

Music, props, and storytelling will be integrated in the exploration of new movement and creative expression.

The Fairytale Dance Class will be held once a week, for 10 weeks. The class time is from 11:30-12:15. Children who are dismissed at this time are brought to the auditorium by their classroom teacher. If your child attends St Gregory's full day session they are pulled out of their regular class during rest time and returned in time to begin their afternoon activities. Parents of students who attend the half day session may pick their children up at the conclusion of class in the auditorium.

Our first class session will run on Mondays from September 30, 2019 - January 6, 2020. If you would like to register your child for the 10 week class the fee is \$265.00.

NYPAC will donate 20% of the proceeds from this program back to St Gregory's Early Childhood Enrichment Program.

To register your child, fill out the registration form and mail it back to us at
NYPAC, 378 Halstead Ave, Harrison, NY, 10528.

If you have any questions please contact us at 914-358-4222.

As a courtesy to St Gregory's families, Register for now for both our Fall & Spring Session (January 27-April 13, 2020) at St Gregory's School and pay \$500.00

There will be no credits or refunds issued once your child is registered.
